The Manage Insurance Grid has been redesigned in Version 4.0. The same patient insurance information is available for viewing, but the access to the information is different.

**New Feature**
The FSC name and effective and expiration dates are accessed using the V-View action code.

**In Version 3.0**
In Version 3.0, the patient's FSC number, mnemonic and name, the certificate number, group, plan and effective and expiration dates were visible in the first screen.

**In Version 4.0**
In Version 4.0, the data visible on the initial display is:
- FSC number and mnemonic
- Certificate number
- Group Plan
- Relationship to patient (Rel)
- Subscriber

To view all other insurer data, use V - View action code

2. Use V-View action code to view more data
